Applications**

Our program is designed to teach you the skills necessary to find, win, and maintain a job! In our program you will:

- Improve your typing speed & accuracy
- Be taught Computer Fundamentals
- Learn Microsoft Office & Web Design
- Learn how to effectively use the Internet & Email
- Learn how to provide excellent Customer Service in the workplace
- Develop a Resume Portfolio
- Obtain a Professional Certification

And,

- We will work to increase your reading & math scores by one full grade level!

TechBridge is funded in whole by COWIC and is operated by Henkels & McCoy, Inc.
